the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office of National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has identified the need to develop a 'new paradigm' of care for the ageing population, one that is based on the concept of 'active ageing'.

The concept of 'active ageing' is defined by the World Health Organization (WHO) as follows:

Active ageing is the process of developing and maintaining the functional abilities that enable people to be able to participate in society. It is a process that involves the development and maintenance of physical, mental and social capacities, and the opportunity to participate in social, economic, cultural and civic life (WHO 1999).

The WHO (1999) also states that 'active ageing' is a process that involves the development and maintenance of the functional abilities that enable people to be able to participate in society.

'We Are The WILD

R-O-W-D-I-E, is that the way you spell rowdie? No, you spell it R-O-W-D-Y, but any way you spell it, it means Gavit.

What do you think of when you hear the word 'rowdy'? Homecoming week, the pep rally, painting the bridge, parties, Halloween night, class with a sub, etc. ... All these times and many more are examples of rowdiness, and they're all here at Gavit.

Just imagine how boring school would be without rowdies. Picture the halls during homecoming week not plastered with crepe paper and signs. Imagine a pep rally with everyone just sitting there with their mouths shut. NO WAY!!

So, let's not let our reputation of being rowdy dwindle away, let's get ROWDY!!!!!!!!!!

Who Says Gavit Life Isn't Exciting?

'We're Still The One!'

At a certain time in October as fall approaches and most all is still, there is a place in Hammond which is restless, active and loud — a place which flows with school spirit. Have you guessed where this place is? Certainly! It's Gavit High School on Homecoming week, screaming with enthusiasm "We're still the One!" But who shouted louder among the Gavit students? Who showed more spirit? The Class of '79 did as they took on the 1978 Homecoming Spirit Award. The seniors not only expressed their spirit by shouting, but also by taking active part in all of the wacky activities put on by Student Council for Spirit Week.

Apart from shouting and screaming, the Gavit students also worked diligently on constructing their floats. Each float resulted into a great piece of art. The freshmen float was especially fine as their float, themed "We've Tamed the Tigers!," won them the Float Award. Yes folks, after the 1978 Homecoming, Gavit's still the one!

UPPER LEFT: Queen Sheila Tite and Mr. Football John Tite pose for a picture at the Homecoming dance. UPPER RIGHT: Winning float, "We've Tamed the Tigers" was constructed by the freshmen class. LOWER RIGHT: The football players perform a humorous skit at the Pep Rally.

It's Homecoming night, October 20. It's been a very hectic week with all the preparations we've had to make for the float and the pep rally, etc. Finally everything is done.

I gazed out upon the football field and the lights glowed in the distance, homecoming comes but once a year and the true excitement lies in the question, 'Who will be voted the prettiest, most popular girl in school?'

It's cold outside, but everyone is warm with excitement that fills the air. Finally, the buzzer sounds and it's halftime. Hearts begin to beat faster, and the tension mounts. The announcer comes

on and 1978 Gavitt football Homecoming court is announced: Lisa Beck, escorted by Dave Hollis; Laura Csonka, escorted by Dudley Latham; Jody Kosanovich, escorted by Tim Cunningham; Michelle Levin, escorted by Nick Kikalos; Letty Perez, escorted by Mike Thompson; Dana Shike, escorted by Jason Lamb; Shiela Tite, escorted by Tom Zerkel; and the 1977 Homecoming Queen, Dorothy Mrzlock, escorted by Jeff Wright. Then, the announcer says, 'The 1978 Homecoming Queen is ... Shiela Tite! Screams of joy were heard from all over the stands, and Shiela Tite was crowned the 1978 Gavitt Football Homecoming Queen.

The Long And

May 13, 1978 — Prom Night — brought about a feeling of mellow romance which overwhelmed the couples as the evening festivities began. The dance, sponsored by the Junior Class, was held at the Holiday Inn in Harvey, Illinois.

As the couples melted into the atmosphere of the dance, the evening's entertainment, selected by the prom chairmen Patti Clark and Carol Smaron, added an appealing touch to the picturesque night. "Night Magic" entertained the couples with its easy-going tunes, and to contrast the evening, the band "Empire" brought about a festive mood with its rowdie, vivid music.

Highlighting the evening was the coronation of the queen, Laura Fantin and her escort Dan Bobrowski, and her court: Danielle Stula (Steve Skorupa), Kathy Pawlus (Ernie Vanderstien), Dorothy Mrzlock (Jeff Wright) and Sandy Tuskan (Chuck Benirschke).

SCHOOL LIFE

Talented Gavit Students

On March 3, 1978, the Drama Department, under the direction of Mr. Martin Stiglitz, presented the classic play, *Jane Eyre*. The production was a huge success because of the hard work of the entire Drama Department, Cast, and Crew.

The play was an excerpt from the book, *Jane Eyre*, written by Charlotte Bronte. *Jane Eyre* was about an English woman who lived in the 19th Century. She came to live at a house to take care of a little girl, Adele. While she was there, she fell in love with Adele's father, Rochester, but found he was married. She ran away, and years later, came back to find him blinded. They realized then that they were in love with each other and married at the end of the play. The cast professionally conveyed both the humor and drama of the plot of this famous English play.

Too Soon A Memory

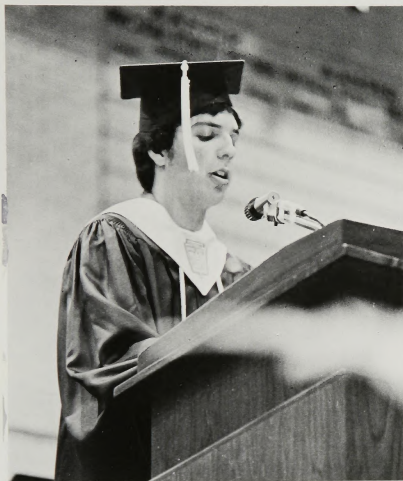

On a hot and humid Wednesday evening on June 7, the Senior Class of 1978 sat nervously in their caps and gowns pondering their futures and what it will hold for them. During the ceremony many speeches were given but none were as touching as the valedictory and salutatory speeches given by Frank Gavrilos and Tom Chorba, respectively. They reminded each student of all the good and bad times of their high school years.

Most Likely To . . .

After four years of hard work and studying, the class of 1978 finally made its way to the G.H.S. Gym for senior honors day. The tension mounted as each reward was named and the list of recipients were given. Frank Gavrilos was honored with the title of Valedictorian. The honored position of Salutatorian was given to Tom Chorba. The final ceremonies brought the award of most outstanding boy and girl, given to Rich Blastic and Rose Bielat — voted for by the seniors themselves.

Should We Gong Them Or Applaud Them?

The really crazy people came out for Gavit's version of the Gong Show. The seats were full as Chuck Barris (Steve Skorupa) got the audience ready for a lot of fun. There was a wide range of interest, from a rock band to a recitation of the poem, "The Raven."

As the night came to a close, it was time to announce the winners. The winners were John Vrehas and Barbie Cave for their disco dance routine. This night proved to be a success as there were lots of laughs and some proven talent.

Gavit Students Show

Throughout the school year there are many dances. Discos seemed to be the "in thing" with all the lines, dances, and soul train lines. The major disco was the Dance Marathon sponsored by the Gladettes. The dance lasted 6 hours with a short intermission for the dance contest, at which the winners were John Vrehas and Sheral Peterman.

Another dance that's very popular is the Yearbook Signing Dance. It's the last time everyone gets together before school lets out.

NCA Evaluates School Program

On October 17 through 21, Gavit's program was "looked over" by a group of educators from various Indiana schools. The evaluation, which takes place every seven years, helped each department look at itself objectively, pointing out its strengths and weaknesses, and suggesting possible alternatives.

The agenda of the team included visits to classrooms, endless meetings, and a tea in the cafeteria. A festive dinner was held in honor of the team members in appreciation of their work.

Each year the Advanced Foods Class prepares an annual Thanksgiving meal. This year, preparation gave the students the opportunity to learn and practice special skills, such as learning to prepare meals in quantity. The dinner preparation also taught them how to plan ahead and manage an extra meal.

Each student was allowed to invite one teacher of their choice, who had a lunch hour that corresponded to the time of the dinner.

"EVERGREEN"

On December 22, 1978, over one hundred couples had the pleasure of attending the annual Inaugural Ball. They enjoyed the romantic atmosphere and dancing to the music of "Horizon."

Couples also took time to relax and be served refreshments in the lounge. The Student Council sponsors this dance annually. This year's dance proved to be very successful.

Gavit Students

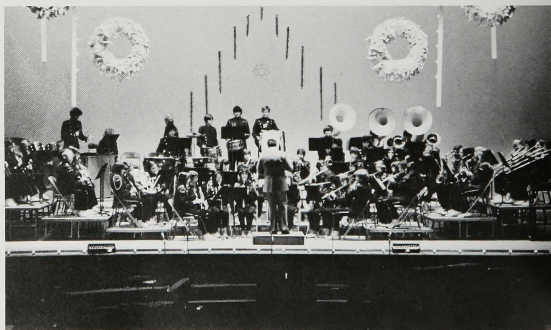

A new thing was done in the Gavit Music Department this year. Two programs were presented within three weeks of one another. The first program was "A Fall Concert".

On December 11th, a Christmas assembly was presented to the entire student body. The band began the concert. The Concert Choir did a medley called the "Miracle of Hunakuh". Then the Choir sat around a fire and sang.

Solos were done by Carol Smaron, Scott Outler, John Vrehas, and Tom Williams.

The Freshmen Chorus soon joined the party. The concert was ended with a mixture of both groups singing "Merry Christmas Around the World."

On the nights of Thursday-Friday, November 9 & 10, the Gavitt Drama Department presented a liturgical drama called "The Summoning of Everyman." The play dealt with the impending Death of a character named Everyman, and the things that he has to face before his death. He must face the vices and virtues of his past. The vices he faces are: Fellowship, Kindred, Cousin, and Goods. The Virtues he must face are: Good Deeds, Knowledge, Discretion, Strength, Beauty, and Five Wits. All of his Vices and Virtues desert him in the end, except for his Good Deeds. The scenery and costumes were entirely constructed by Mr. Stiglitz and the Stage Crew. The choir sang from the stage and from the balcony. The play was a great success and will hopefully start a tradition of serious dramatic plays at Gavitt.

Kids Make "Waves"

Despite a dishearting 66-73 loss to Whiting High School, the evening of February 9, 1979 turned out to be an enjoyable one.

During half time Senior Dana Shike escorted by Jason Lamb, received the honor of becoming Gavitt's basketball Queen.

Dana's royal court consisted of: Jody Kosanovich, escorted by Dave Lipman; Donna Stula, escorted by Dale Cardwell; Letty Perez, escorted by Mike Thompson; Michelle Levin, escorted by John Tite; Laura Csonka, escorted by Dudley Latham; and Cathy Paquette, escorted by Jimmy Latham.

Earlier at a pep assembly Senior Tony Davis was awarded Mr. Basketball.

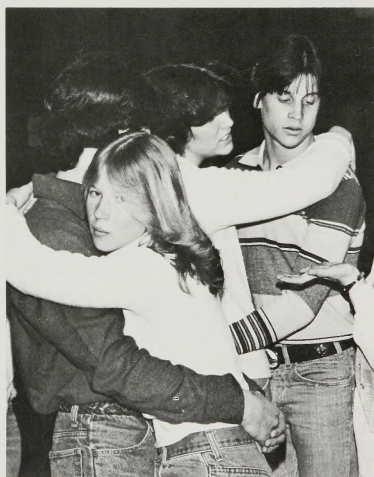

After the game, over 200 students attended the dance and rocked to the beat of "Waves" which was successfully sponsored by Gavitt's Cheerleaders.

Great things have happened in the Gavit Drama department this year. Two plays were done, the first, "The Summoning of Everyman," and the second, "West of the Pecos." Between the two plays much work was done on sets and lighting for the fall and Christmas concerts, the Drama Reviews and the spring concert.

The amount of work done by Mr. Stiglitz and the Stage Crew before one production, is mind boggling. They must build scenery, make costumes, set and adjust lights, then, tryouts, stage blocking line memorization, dress rehearsals, alterations in set and costume design, and the list goes on and on . . .

Finally, as the end of the year comes around, the time and hard work finally pay off. Those who have worked the hardest are given the honor of being made Thespians.

A new tradition of excellence has been started in the Drama department this year . . . a tradition that will hopefully continue!

Cheerleaders Rate In '78'

This year's cheerleaders provided a great deal of spirit during football and basketball season. They attended camp last summer at Vincennes University. During their stay they learned many new cheers and dances. The cheerleaders organized the football Homecoming Pep Rally and sponsored the Basketball Homecoming Dance. Their main goal is to boost the spirit of the student body and to improve student participation in outside activities. To support this goal they decorate the team players' lockers and decorate the halls.

This summer the Gladettes were very busy attending two summer camps. The first was held at Notre Dame by the American Scholastic Drill Team Association. The girls at this camp learned many routines and gained a lot from the competitions. They won the Spirit Frog and a ribbon for Dance Execution. The second camp was held at Rockford sponsored by the Badgerette Drill Team. These girls were very proud that they won 2nd and 3rd place ribbons and a 2nd place trophy. The Gladettes held a Dance Marathon in November that proved to be very successful.

The Gavit Marching Band progressed very much. They sold Tootsie Rolls to raise money. The Band practices very hard to perfect performances at half-time during Basketball and Football season.

The Spirit Of Gavitt

Pep Club enjoys helping out with the spirit at Gavitt. The members come to the games to help the cheerleaders with cheers and chants. Even though it is a small organization, the Pep Club does its best to keep up the morale of the student body at all times.

The Student Council is going strong this year with the help of a new sponsor — Mrs. Sula Sampson. Helping solve problems within the student body and bettering communications between student and faculty is a challenge being tackled by Student Council. Not only has Student Council sponsored the annual Inaugural Dance, which proved to be very successful this year, but they also sponsored a "Back to School Dance", the Homecoming Dance, and student exchanges during the year with Morton and Highland High Schools.

It is hard to look at a department or a team and realize what they do to prepare for a performance. The music department worked very hard this year to make it a success.

The choir participated in the production of "The Summoning of Everyman," held fall and Christmas concerts, went caroling and gave a spring concert.

One of the great accomplishments of the department this year was that of Carol Smaron and John Vrehas, when they qualified for All State Choir.

Congratulations, for making it a very exciting year for the Gavit Choral department, and, also, thank you for giving us such beautiful music to listen to.

Students Enjoy A Variety Of Interests

One reason a student joins a club is to learn how to use a certain skill. That is exactly what happened this past year in Fish and Game Club. The members sharpened their senses by learning the proper and safest way to fish and hunt.

Cinema club consisted this year of fewer members, so that each student could enjoy the presentation of different films. The members viewed many entertaining films, such as, "The Mickey Mouse Club" and "Close Encounters of the Third Kind".

Cinema Club proves its popularity by its membership of 115 members!

Aids Serve School Needs

Beware of the Hall Monitors that watch wandering students.

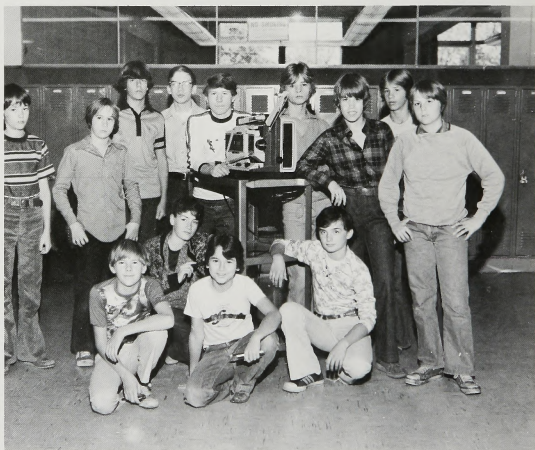

Several groups were formed in September to fulfill special needs at Gavitt. These aids helped teachers and students alike, while giving themselves a feeling of responsibility and self-worth.

Hall Monitors found it their job to keep hall loitering to a minimum.

The A.V. Aids, composed of both high school and junior high students, helped Mr. Culbertson provide audio-visual materials to classroom teachers.

The Lab Aids enjoyed working with such "fun" beings as mice, snakes, etc., while the Gym Aids worked with more tame beings as the rings, bars, and "horse".

The Bookstore Aids sold stationery items, such as pencils and paper, to students and teachers. They also helped Mrs. Barrell take care of many of the school's transactions.

Everyone Needs A Helping Hand

Are you ever confused? Or don't know where you are going? Well why not ask a Gavit aid? There were many different types of aids this past year at Gavit. Each type helped the student body with whatever problems they may have had. Gavit has aids such as Library, Main Office, Nurse, Guidance Office and Attendance Office aids. The Library aids helped keep books organized and helped students find books. In the Main Office the aids helped answer the telephone, take messages, and count out the Monday Messages; Nurse aids helped the nurse with students who were ill and helped keep order in the Nurse's Office. The counselors also had aids in the Guidance Office. These aids helped file and run errands for them. The Attendance Office aids helped with the attendance sheets and run errands. They also helped Mr. Saliga in any duties during the day. It would have been difficult to get through the day without the help of our aids.

suicide committee

Looking back on our years at Gavitt, the fun and laughter we had greatly overshadow the unhappiness we felt.

As Freshmen we come into the school thinking that our Senior year will never come, it's just too far into the future. Then, before we realize it, we're Sophomores, then Juniors, then ... suddenly ... SENIORS.

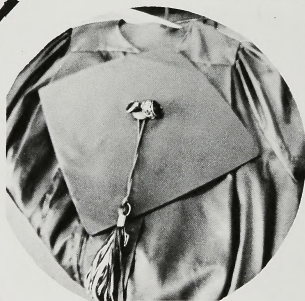

We're now faced with the biggest decisions of our lives. These decisions are

not merely simple ones, like what to wear or who to go out with, but, rather, whether or not to go to college, if so, which one, what can the future possibly hold for me?!

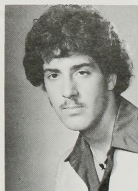

After all the decisions are made and the applications are sent in, we begin to realize that this is the end. We will soon be scattered all over the United States, attending colleges and working.

Ending Senior year is a very emotional time, a time of solemn reflections. It is hard to say good-bye to the people who we've been close to for so long. So, don't ever waste this time in High School, for it's time that passes so quickly.

What mark will I leave?
How will anyone ever know I've been here?
What sign will tell the future traveler that I existed?
Shall I carve it on a door?

"I am here!

Today . . .

I exist."

I believe the deepest impression is made

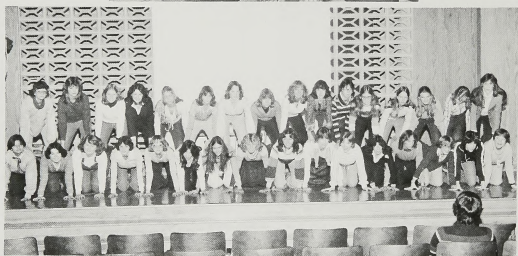

In those moments when I can say,

I Care

I Love

United We Stand

One O'Clock, Two O'Clock Seniors All Rock

I found my thrill . . . The class of '79 found their thrill on 50's day, January 9th.

Guys came dressed in leather jackets, white socks, skinny ties and hair slicked back with a variety of greasy concoctions. Girls wore hair up in pony tails, poodle skirts, peter pan collars, cat-eye glasses and bobby socks.

It was a very fun day, one that will be marked down in Senior memory books as a day fondly remembered.

TOP: The class gathers around their new set of wheels. MIDDLE LEFT: The 'Pink Ladies' wait for their men. MIDDLE RIGHT: Even in the coolest gangs there are a few nerds. BOTTOM LEFT: "Don't we make a cute couple?" BOTTOM RIGHT: The Class of '59'?? poses for a picture.

Aries

March 21 -
April 20

If you were born an Aries, you most likely have that feeling that you always have to be first. You're always coming up with new ideas, new schemes, and are a highly organized person. Though those brilliant ideas and plans may not be yours, you take the credit, anyway. You have a strong ego and you are disliked for your self-centered ways, but you don't care since you know it'll win you an accomplished goal. When you fall in love, it's usually at first sight and you're mostly attracted to the physical appeal. An Aries is known to marry people they haven't known for long. You are a very dramatic person and in an ending affair, you hold a motto which keeps you up — love, lose, and forget. Your best romance would be with a Gemini who has a hard-to-get quality which appeals to you. You will make an excellent parent, but tend to show favoritism. You're stubborn with money, and great with power.

Cancer

June 21-July 21

A person full of feelings, deep emotions, and sentiment. That's a Cancer. If you're a person born under this sign, you are a very affectionate person who holds a strong sensitivity to life as well as an understanding. You value love strongly and in a love affair you tend to be selfish. You always want to receive as much love as you give. A Leo would be the most compatible sign for you since Leo loves to love. You have the jealous/possessive nature and you want to possess as well as be possessed. When a problem arises in a family relationship, you usually ignore it letting it solve itself. You'd make a successful parent mostly because you give so much love. You spend a lot of your money on charity and if you see something you like, you ignore the price and buy it. You buy a lot when you're depressed. Cancers are not usually ambitious, but whatever your job is, keep personal problems away.

Taurus

April 21-May 20

Taurus, your strongest force would be your great endurance. You're very determined when it comes to competition. You also think you're always right and you'll hold on to your opinion 'till death. Though a Taurus has great power, you tend to sometimes be lazy and indulgent, which ruins your perfection. You are very possessive with your belongings and you're a highly jealous person, especially in romantic matters. It is said that Taurus is the sexiest sign of the zodiac and also the most passionate. In a love affair, the most important factors to you are beauty and security. A Cancer would be your best match. Beware of Scorpio! You value your family highly and would make a good parent, too. You also value money *alot!* You're a practical spender but sometimes considered "cheap". A Taurus may love money but you'd rather have a secure job. Career Caution: Don't be lazy!

Leo

July 21-August 22

Leos, the most dramatic of all signs. A Leo is a very spirited and courageous person. You have a strong amount of will, self-respect, pride, and arrogance. You can rarely see another's point of view since you keep to your opinions so stubbornly. A Leo is considered the most lovable sign in the zodiac. To you, romantic approval is a very important factor. You usually prefer a person who will "enhance your prestige." You demand a lot of attention from your lover and your wish is for them to always drown you with compliments. You love flattery and who else could be better at doing this than a Gemini. Leos and Geminis make excellent matches. Marriage for you is a great deal of stress because of the commitment. You choose your mate by the traits they have that you wish you had. You will raise a small family.

Gemini

May 21-June 20

Being a Gemini, you're not always taken too seriously. You easily change your mind, are very witty and you also have the ability to make others laugh. A Gemini is gifted in the area of communication. You can be very moody and others find it hard to understand your ways. In romance, Geminis love not just one, but many. You rarely get whipped, but if you do, it's to a Libra. You're known as a "spend-thrift" with money and hate boredom.

If born under the sign of Virgo, you are a perfectionist with sharp intelligence and a keen insight. You are very choosy about your romantic partner. Virgos are highly sexed but only intimates know what you're really like. You match best with a Taurus. You will marry someone shy and you'll set high goals for your children. You look for things of high quality and drive a hard bargain to get them. Your career is very important to you no matter what it is.

August 23-September 21

Virgo

And You

Taken from
Argent Books, Inc.

Libra

September 23-October 22.

Libras are witty, sensitive, gentle and charming. They are somewhat emotional and very sentimental. Libras attract conservative types with a streak of uniqueness in them. Libras are most compatible with people under the sign of Leo, and least compatible with people under the sign of Cancer. Libras usually marry early, and to partners with great prominence.

Status is important to you, and you will be extremely disappointed if your search for it is not fulfilled. Libras are very good listeners, but do not reveal their own problems too often.

Scorpio

October 23-
November 21

Scorpians are considered to be the most powerful sign of the Zodiac. You are the most determined of the signs and fixed toward your one goal. You have the power to go far, and to misuse this power is the greatest mistake of all. Scorpians are either very calm and cool, or a bundle of nerves. There are not many who are in between. Scorpians are not really the ideal mates, but are rather the type of people one would have a short fling with. Scorpians can go for years without having a relationship, then all of a sudden fall head over heels for someone. Scorpios are very hard workers. Your career is very important to you, but you must be recognized for your hard work. The one basic principle thing Scorpians love to do is experience everything, but you must experience these things with someone you love. You have the patience of a saint, and you know yourself better than anyone else knows you.

Sagittarius

November 22-
December 20

Sagittarians love to have challenge. You will take the hardest assignments with zest. You're very honest, sometimes too honest. You offer your opinions in all situations, usually where they're not welcome. You are adventurous and optimistic. You're a faithful friend and wildly adventurous. You're not the ideal mate because you have trouble staying in one place. You prefer "playing the field" most of the time. It's important for you to have a common interest with your mate. Even after a broken romance you can't be kept down for very long. You are able to get along with Libras best, and your worst mate is a Taurus. The ideal mate for a Sagittarius is a witty and outgoing conversationalist. You share a common philosophical bond with your mate, and you love and laugh at the same things. You're jovial, optimistic and devil-may-care. Your only fear is that of failure.

Aquarius

January 21-February 19

Aquarians are surprising people. No one knows exactly what an Aquarian is going to do at any given moment. You are very fixed in your beliefs and have a flaring temperament. Sometimes you are secretly amused at people's confusion over you. You are very positive, and always look on the bright side of things. Aquarians worry alot about their own destinies. You are fascinated with humanity as a whole, and worry not so much about individual effects, but rather the entire social group. Aquarians many times achieve their goals by a good friend, usually not a member of the family, but just a good friend. Also, many other people have found their place in life because of the direction and advice of an Aquarian. Aquarians have alot of love to give to others and many people's lives will be changed because of your guidance and gentle understanding.

Pisces

February 19 —
March 20

Pisceans are said to have a sixth sense common to all of them. You are very compassionate, the most compassionate of all the signs. You are easily hurt by others, and sometimes prefer solitude to crowds because of this. You have very few frustrations because you are very adaptable. Sometimes this quality becomes a burden because it's hard for you to take command of a situation. You get along best with people under the sign of Scorpio, and worst with those under the sign of Aries. Pisceans often marry more than one time, not having many children in these marriages (3 is considered alot to a Pisces). Your mate is usually attractive and talkative. You are also usually the mouse in the relationship. Pisceans are strangely strengthened by adversity. You can go through the worst experience in your life and live to tell and even laugh about it. You're terribly unique, but you love being that way.

Capricorn

December 2-
January 20

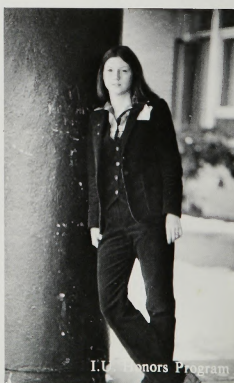

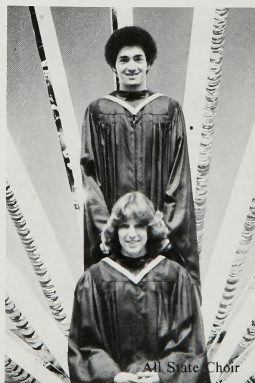

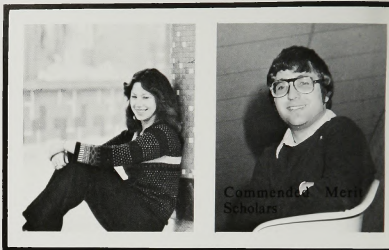

Capricorns are steady, fast, compassionate and witty. A Capricorn's outlook tends to be somewhat on the gloomy side most of the time, but that doesn't stop you from laughing your problems away. Capricorns are very unpredictable. Anyone who wins the affections of a Capricorn should be honored. You don't bother with just anyone. You get along well with Taurus' and badly with Aries. Capricorns are very frugal people, you survey situations very carefully before you get yourself into it. You have great potential; you'll sacrifice everything to get what you want.

And At The Top We Have . . .

Did you ever ask yourself; "What will I have done when I graduate from High School?" To have gone through 12 years of school, and to look back and be proud, is the greatest accomplishment a High School senior could ever hope for. If you're able to over look all the tears and headaches, it's all worthwhile.

You can remember all those times when you absolutely weren't going to get up, or when you walked to school in the rain and were SURE you had pneumonia, when we lost the homecoming game, or when your class got rooked out of the spirit award . . . all this doesn't matter anymore.

The people on this page are the epitome of success. They truly accomplished great things and can be very proud of themselves, we are proud of them too.

In the past three years the class of 1980 has accomplished many things. Even though they haven't captured the spirit award yet, they have tried exceptionally hard to add their touch of pride for their school. The fellow students of the junior class had a great time putting together their float "Put the Tigers in the Doghouse".

The juniors were very enthused about their prom this year. The prom was held May 5, 1979, and the theme was "Al-ways and For-

JUNIORS

ever." They earned money to help pay for the prom while they added to the fashion scene by selling necklaces with all the graduating years and key chains with "Class of 80" engraved on them.

Guiding and helping the junior class were sponsors, Mr. Johns and Mrs. Hayes. The class officers of the junior class were Dan Gorski — President; Ernie Perez — Vice President; Lynn Clark — Secretary; and Cindy Snedacor — Treasurer.

The sophomore class started off their second year at Gavit by having a paper drive. They planned to put forth the money they had made for their prom, which will be held in May of 1980.

The sponsors who put out much time to help the class are: Mr. R. Gilbertson and Mrs. M. Raduenzel.

The class rings were an exciting thing for the sophomores, because they got to choose from so many different colors and designs.

Beginning their first year of high school, the freshman were very ambitious in selling their candy. This effort turned out to be very profitable. The money earned will go to their prom, which will be held in 1981. The freshman class all worked hard on their float, "We've Tamed the Tigers as You Can See We're No. 1 and Riding Free", which captured first place in the float competition. Their wise and helpful officers were: Jim Gavrilos — President; Dale Carter — Vice President; Mary Sue Malloy — Secretary; Rick Davis — Treasurer. The sponsors who took time out to help this class were: Mr. Robert Fischer, and Ms. Sandra Williamson.

Staff Does It All For You!

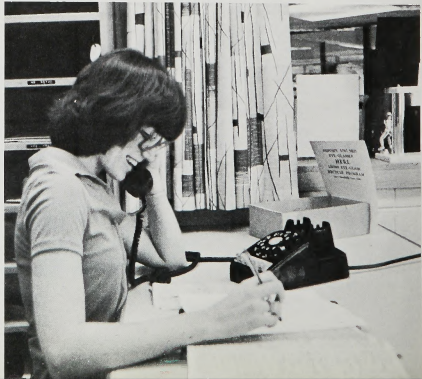

Did you ever wonder how this yearbook was made? Well, we'll let you in on it.

It all began in early September when a bright, cheery advisor walked into a yearbook class, which was full of eager faces. (We should say 'fresh' eager faces, for 90% of the yearbook staff was inexperienced at working in yearbook.) So, this bright and cheery advisor, as you may know is Mrs. Canner, went into a great challenge along with the yearbook co-editors, Terri Howe and Letty Perez. Here, my friends began the process of the 1978-79 yearbook.

Alot of people might've thought it was 'a piece of cake,' but it was really a very hard-working task. After the staff was given instructions and lessons on the mechanics of the book, they began to put the puzzle together. So, they worked hard putting their own touch of creativity into each page as almost every deadline caused most of the staff members headaches and ulcers. But, they all well recooperated after the puzzle was finished. Alot of words, titles, pictures, imagination and most important of all, memories, were all fit in their right positions by the staff to form that great big puzzle: the 1979 Futura yearbook.

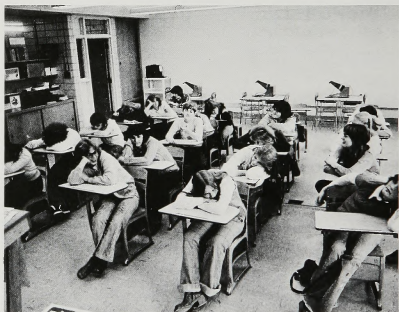

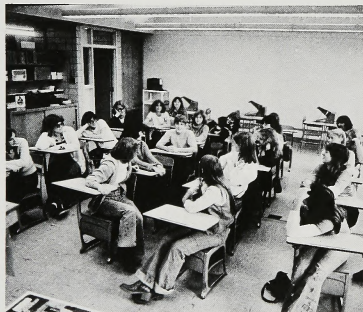

So, Gavit Glads! The Futura staff has gladly presented to you 'Patterns of '79'. We hope you enjoy it as much as we enjoyed working to make it the best for you!

The girls finished their season on top with a sectional win and placing second in Regionals.

The Junior Varsity squad had a fine season and finished with 13 wins and 10 losses. This year they were coached by Sharon Meier.

Considering the excellent coaching of Miss Kelly and the superb playing of the girls, it appeared that the Lady Glads were truly "The Pride of Hammond".

Gavit's swim team had a tough year this year as a team, but individually accomplished many things. Their record was 2 wins, 10 losses. The two teams they beat were Gary Horace Mann and Gary Roosevelt. Good progress was shown by Senior co-captains Karl Koch and Carolyn White, Seniors Ed Szalony, Dave Druzicki and Juniors Chuck Novak and Steve Jacobson.

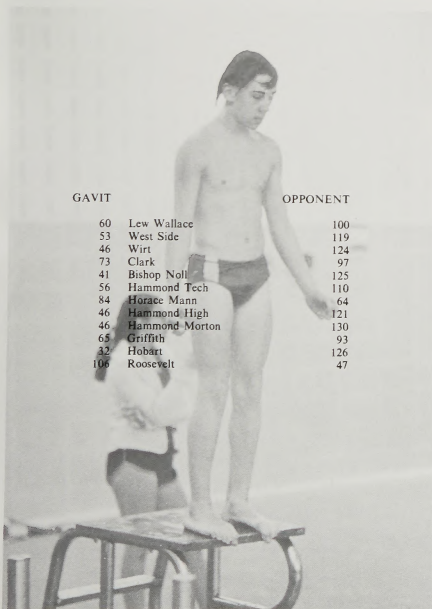

High point scorer for the team was Chuck Novak. 2nd place was Senior Karl Koch and 3rd place Junior Steve Jacobson. Junior Chuck Novak and Senior Dave Druzicki also qualified for sectionals in the 50 yd. freestyle.

The individuals did a good job and kept their morale high this year. This will hopefully be a sign for good results in the future.

'Cross Country Team Rebuilding'

Cross Country is a difficult test of an individual's stamina. It takes strength, endurance, and true dedication. Every day, members of the team run countless miles in preparation for the 2 and 2½ mile courses which they run at various meets.

This year Gavit's team was joined by a girl, Michelle Lewellen, a former conference champ.

Coach Abrego feels that Jeff Edens and Dale Carter, the freshmen conference champs, were the team's leaders. The team's overall record was 5 wins and 10 losses, while they placed 8th in Conference. Gavit entered 7 of its runners in the Sectionals.

This year's team was packed with talented athletes including Seniors John Tite, Dave Dunlap, and Jason Lamb, and Sophomore, Ken Taroli, who all won Sectional championships. At the Regionals they were joined by Seniors Mike Hayden and Jim Wilkie who had placed second at the Sectionals. At the Regionals, Ken won a second and John and Dave each won firsts. This qualified them for Semi-State where Ken placed third and Dave placed first, qualifying for State competition.

The B-team had a season record of 2 and 8. On the team are seven young men with the potential to earn the same respect Gavit students have always had for their wrestling teams.

What's Your Racket?

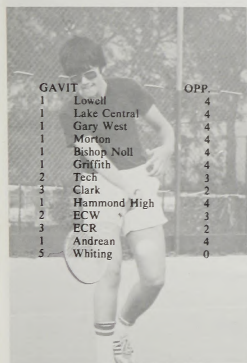

The Lady Glads had a tough but enjoyable season last year with a record of 4 wins and 8 losses, and in Conference, 4 wins and 2 losses overall. These girls deserve much credit for staying with the team in spite of all the hard practices out in the cold. The captain of the 1978 team was Dorothy Mrzlock, who always seemed to be right there when the team needed help. Coach Maricich named Theresa Puchley most valuable player and Maureen Rosko, most improved. This year the girls got together and worked as a team which seemed to improve as the season came to an end.

Grant was undefeated during the season with an incredible record of 17-0. Grant was also the Champion Conference singles player. Meet The Runners-Up

On your mark, set, go . . . and they did, all the way. Gavit's 1978 track team had an outstanding season, placing 2nd in conference with a record of 6-2, and an overall record of 10-4. While the junior varsity was this year's indoor/outdoor champ.

Gavit placed 2nd and 1st respectively in the Highland and Hammond Relays, and 4th in Sectionals.

Three of Gavit's top athletes were conference champs and qualified for both sectionals and regionals — Scott Templeton in the long jump, Jim Chenault in the pole vault, and Joe Sturonas in the high jump. Joe also qualified for the state track meet. Other conference winners were Darwin Harwell in the 220 yard dash and Steve Hojnacki in the 440.

If one's looking for a sport that takes a lot of endurance, skill, spirit, and teamwork, one's found it on the Girls' Track Team. Even though they had a 4 and 12 record, they proved to be a very hard-working bunch of girls. Two girls tried hard enough to place first in the Conference Meet. These girls were Junior Sandi Beverly and Freshman Kay Stephens, who placed in the long jump and the 880, respectively. Other outstanding girls that helped to lead the team to a third place in the Conference Meet were: Freshman, Janice Cheek, Sophomore, Judy Brown, Juniors, Randi Johnson and Patti Clark, and Senior Kathy Pawlus.

Kicking For Goals, Kicking To Win

"Pass it to the left, Jack! ... Watch It! He's gaining on you! ... Give it to Wilson! ... Alright Pele, it's all yours!! ... Now center it ... GOAL!!!!"

Goal! — That word which in Soccer means success. Every time a Gavit soccer player experiences this success, it's a score for Gavit and a great feeling of satisfaction and pride for that player. Even if at the time that goal was made for Gavit, while Gavit was being defeated, the moment was still very triumphant and Gavit would resume to play with more confidence and will to challenge their opponent proudly. This happened to Gavit's soccer team many times as they stood up to many challenging teams. Among these challenging teams, Gavit held triumphs to two and held defeats to six in their 1978 season. Gavit's successful victories were to Highland, defeating them 2-0 and to E.C. Washington, defeating them 2-1.

Coach John Quinn trained the 1978 Gavit Soccer team with seven seniors leading the team. Among these seniors were: Dan Bobrowski, Frank Gavrilos, Fred Martinez, Scott Opasik, Henry Perez, Scott Plawecki and Dave White.

1. Senior Henry Perez — Kicks for Gavit, kicks to win.

Hot Dogs, Apple Pie And

The wind up, the pitch, he swings, it's a . . . it's a . . . it's a homerun! Those were words often heard around the Gavit baseball diamond in the spring of 1978. Gavit ended its season as Indiana Lake Shore Conference champs with a conference record of 14-2, and an overall season of 31-4.

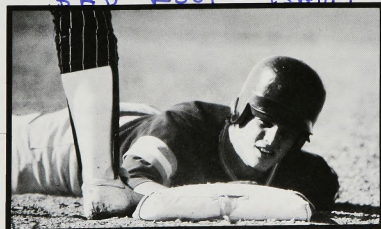

Working together to make this fantastic season possible were: Senior, third baseman Jeff Wright; Senior, second baseman Tim Cunningham, who accumulated an amazing batting average of .435, and Senior pitcher Robbie Clark, along with all the other expert players. All three seniors were named to the All Conference Team, while Robbie was also named to the All State Team. Other outstanding seniors were: catcher Rich Blastic, and Senior outfielders Rich Russell and Billy Sandoval.

Gavit's 22-game winning streak made it a most successful season in 1978. Congratulations team!!

What is an Arby's®?

An Arby's® is a sandwich unlike any you have ever eaten before. Selected cuts of premium beef are slowly barbecue roasted to a turn. From this your Arby's® is sliced wafer-thin for tenderness and flavor, heaped high on an oven-fresh, toasted, buttered sesame bun. Simple as that. Nothing is added but care. Arby's® are what Roast Beef Sandwiches really should be. Try one today. You will never again be satisfied with anything less than an Arby's®—deliciously different!

Constantly Growing Coast to Coast.

Here you have it! All of the times and memories at Gavit High School condensed into one book, the 1979 Futura. But, of course, that's the whole idea of having a yearbook, to bring back the times and memories you spent at school. To help you recall all of those memories, we did our best to make this book as vivid as possible.

If we successfully accomplished our goals, we can't take all the credit. Therefore, we would like to distribute the credit among those who helped to make it possible. We'll start by thanking our "outstanding" staff. "THANKS STAFF". And, of course, how could there be a yearbook without an advisor? There couldn't be! So, our fearless advisor was Mrs. Canner. Our deepest appreciation goes to her for all of her patience, time and devotion. To advise our advisor we had a new district representative, Bob Henning, whom we would like to thank for having unlimited patience with us and our "crazy layouts" (which we couldn't afford to do).

Wait a minute, we're not through yet! We couldn't have had a yearbook without good pictures taken by Tom and Harry, from Bodie Photographers, and our student photographers, Steve Meuhlman, Tim Howe, and Dave Rubottom. Steve took the ad pics and they all took some pictures in a pinch.

"THANKS GUYS"

Co-editors Terri Howe and Letty Perez.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.1 million (Office for National Statistics 1999). The number of people aged 65 and over is projected to increase to 6.5 million by 2011, and the number of people aged 75 and over to 4.5 million (Office for National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been developed to address this need. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity.
